The Wheel of Relationship is a tool for you to assess the current level of satisfaction you are experiencing in your relationship *right now*. With 0 being the lowest and 10 being the highest, rank the level of fulfillment you have in each life area. Now draw a line across the perimeter of each slice with the center of the wheel as a 0 and the outer edge as a 10. Fill out your wheel independent of your partner. Where is your relationship craving change or growth? What is it wanting right now? What's working well?
